#### **Intentionally Hiding God's Word in Your Heart**

##### **By Darlene Lamb & Jessica Pastirik**

#### **Main Points:**

##### 1. God's Creation and Love

- God created both men and women in His image
- We are the pinnacle of His creation

##### 2. The Shema Prayer

- Love the Lord your God with all your heart, soul, and strength
- Impressing God's commandments on our hearts
- Teaching and talking about them with our children

##### 3. Importance of Memorizing God's Word

- Hide God's Word in your heart for comfort and guidance
- Living out our faith and passing down a legacy of following Jesus

##### 4. Leaving a Legacy

- Be intentional in sharing God's Word with the next generation
- Importance of family and church community

**Bottom Line:** Intentionally hiding God's Word in our hearts will help us live out our faith, pass down a legacy, and be prepared to share Jesus with others.
